### 1900 Census of Warren Township Michigan

Image Page 299 page stamped 290 sheet 1A 1900 Census of Warren

enumerators Archibald C Lyons and Fred J Hartsig

transcriber Wesley Arnold historian

Note these are transcribed as written unless name is obvious.

Please send corrections to me so I can correct the record. There are many that are not written clearly especially the first letter of the name. If you are searching for someone and don't find it try alternative spellings and try leaving out the first two letters of the name. Often the enumerator added what looks like an extra letter after the first letter.

Last Name in bold family may related to burial in Warren Union Cemetery. Both names in bold that person is buried in Warren Union Cemetery. Some St Clement burials are noted if known.

## OCEANA COUNTY.

Benona Township.—Philo H. Beardsley, Ahira Worden, A. L. Cobb, Jeremiah Carpenter, Wm. Satterly, Wm. H. Fleming, Frank Shafer, Jay B. Dorrance, Wm. A. Olinder, Henry Koster, Alanson Beckwith, Austin D. Niles, Frederick Stier, Wm. Worth, Geo. Kelly, Thomas Fowler, Josiah Coolidge, Edward Kinney, Chas. Gilbert, Timothy Tracy, Joel Morse, Wm. Sutherland, A. B. Wood, Joseph Fannaff, F. D. Hayes, K. Ferguson, Cribbean McDaniels, James Marvin, Samuel E. Lewis, Jacob Koster, Christopher Goodenrath, Joseph Ely, Walter Manning, L. P. Hazon, Wm. Johnson, Levi L. Gardner, James Gibbs, E. O. Graves, Courtland Davis, M. A. Beman, Beer Pittenger, [Wm. P. Shafer, Chas. E. Morse, Robt. Fleming, Wm. B. Sours, Chas. Anderson].

Clay Banks Township.—Eli R. Hawkins, Geo. P. Allen, John Dill, Geo.

## This is a transcription of the 1920 Warren Township Mi Census.

It is hoped this will be useful to you. Having all of these families together in one document is more useful than separate census searches.

The Copy it was read from was not the best in addition some handwriting is questionable. Often the handwriting of the enumerator is unclear. Listed are: heads of household and some unique occupations. The occupation of most persons was listed as none, The vast majority were working on Farms. Many persons at this time were employed in auto factories and in businesses in Detroit. Those who appeared to have their own shop, teachers, clergy or other unique occupations were noted. Reference numbers to the census page are included to make it easy to look up any name for quick reference. As better copies of the census become available and as time allows corrections will be made to this work. Please send corrections to wesleyarnold@yahoo.com Wesley E Arnold humble historian.

Jacob Hartsig was enumerator in 1920 census sheet 1A p234 roll 782

## 1910 Census Warren Township Michigan

It is my hope that this will be useful to you and future generations. This is a snapshot of a short period of time in our history. Having all of them together in this document is more useful than trying to piece together bits from separate census searches.

Note the public copy this was made from was of poor quality and difficult to impossible to read in places. In many cases the first letter of the name was unreadable. As better copies become available I plan to revise this reading. A study of the Warren population will also yield corrections. In many cases the spelling of names back in 1910 were not the same as today's spellings. When the writing was clear I chose to use it even if it does not correspond to today's English. Accuracy is more important than political correctness. Feel free to send corrections to [wesleyarnold@yahoo.com](mailto:wesleyarnold@yahoo.com) Wesley E.

Arnold

humble historian.

## Library to Open for Use of Public

Library service to the public in the Charwood area finally becomes a reality due to the efforts of the people of Warren Township. The Charwood Depository Library will be open to view in connection with the dedication of the new Charwood School Building Friday evening at eight p.m.

## 10 Lessons On Safe Driving

About 1,586 are dead and 43,840 injured as a result of accidents on Michigan streets and highways during 1950.

With this shocking record marked up, Michigan parents will have to carry out New Years resolutions of safe and skillful driving during 1951 — or face criticism from their teen-age sons and daughters.

For their own youngsters may be among 32,550 students learning to drive scientifically in AAA Driver-Training courses taught in 305 Michigan high schools.

In an effort to avoid parental embarrassment, this newspaper, with the assistance of Automobile Club of Michigan, has prepared a series of 10 instructive

A branch library of Macomb County Library is to be opened in the Van Dyke district April 1.

Charwood is a depository library now in the process of setting up its shelves. It will be open for use Wednesday, January 31 from seven to nine p.m. and on every Wednesday evening thereafter. School children of Charwood School will be served by the same system during school hours.

All other children of the community may draw books from the library during the Wednesday evening hours.

This library and the one to be opened in Van Dyke were through the approval of Warren Charter Township Board and the grant of \$1000 from that body. Macomb Library services will supply books and other needs and furnish the depository system. Fiction and reference books will be available.

## Protest Zoning or Lack of it

The problem of alleged zoning infractions and the need for rezoning appears to have aroused a large number of citizens of Warren Township. Last week this newspaper printed two letters of protest on this issue and this week another letter will be found on an inside page.

The group which submitted this week's letter is now designated as "Home Owner's Organizing Committee." They are calling a meeting Thursday evening, January 25 at 7:30 p.m. to discuss the problem and urge all interested persons to attend. Acting secretary is Peggy Franquist.

## Queen or King? In Pie Contest

Several boys are entering the 4-H Cherry Pie Baking Contest and thus a problem is posed. If one of these young gentlemen is judged the best cherry pie baker, how can the judges select a Cherry Pie Queen? No—it will have to be Cherry Pie King, or

## Dedicate New School Friday

The new Charwood School addition will be dedicated in ceremonies Friday evening at eight o'clock. Approved by the voters in November, 1949, opening of the addition will do a great deal to alleviate crowded facilities in the district according to school officials.

## Tom Pounder Flower Girl in Rotary Show

The "Big Broadcast of 1951," a show the Rotarians promise will rank with such all-time Broadway greats as "South Pacific" and "Oklahoma," will be previewed in Center Line January 31 and February 1 and 2. This laugh parade will be shown three nights beginning at 8:15 p.m. and if you hurry, you can probably still get a ticket from any member of the Center Line Rotary Club which is sponsoring this dazzling spectacle!

One of the more touching scenes of the show features a

The buildings are single story construction with cinder block walls and face brick exterior. Asphalt tile floors in corridors, classrooms, offices and multi-purpose rooms are easy to clean and attractive. Ceilings are acoustically treated.

This new addition was the result of the cooperation of the entire school district. Many meetings were held to determine the need of the addition. The building is to be used for neighborhood activities and adult education as well as day school.

The Fraser High School band will provide the music for the dedication under the direction of Fran Winters. Invocation will be spoken by the Reverend Forest Friese, George Harris, president of the Board of Education will welcome and make the presenta-

By any standards the past year was a big reading year in the Warren Public Libraries. The circulation of books for home use continued to rise and became the largest in the library's history. Volumes totaling 343,833 were borrowed by the men and women and boys and girls of Warren.

The system had to expand physically in order to continue to render effective service to a reading public that kept growing day by day. The new Dorothy M. Busch Branch was opened last January at 23333 Ryan Road and has rapidly grown to be one of the most popular branches, second only to the Green Acres Branch. It was named in memory of a former library commissioner who pioneered the present system.

The Green Acres facility is an outgrowth of the Washington Irving Branch at 5951 Beebe Street, which had experienced crowded conditions due to growth. In April, upon recommendation of the Public Library Commission and approval of the Mayor and Council, the Washington Irving Branch was transformed into the administration and processing center for the system and its book collection was moved to a building in a convenient location at the Green Acres Shopping Center, 13 Mile and Mound.

The system's book collection grew to more than 92,000 volumes, and staff was increased to 15 full time and 10 part time employees, who operated on a budget of \$256,863.

The director and his staff are guided by the policies of the Library Commission, an appointed body of seven men and women who serve without pay.
